<sup>1</sup> At the time the Court entered the June 19, 2013 Order, the Court did not issue a separate document final judgment in accordance with Fed. R. Civ. P. 58(a) and instead ordered the case closed. However, Plaintiffs understand that Defendants are filing a motion for entry of judgment requesting the Court to enter a separate document final judgment. Nonetheless, out of an abundance of caution, Plaintiffs are filing this Notice of Appeal at this time. In the event the Court enters a separate document judgment as requested by Defendants, Plaintiffs will amend their Notice of Appeal.
