### III. GENERAL ALLEGATIONS

6. United States Patent No. 7,959,036 (“the ‘036 Patent”), entitled “Elastomeric Dispensing Container,” was duly and legally issued by the United States Patent and Trademark Office on June 14, 2011, and is still in full force and effect.

7. PKOH is the owner of the ‘036 Patent, a true and correct copy of which is attached hereto as Exhibit A.

8. On information and belief, Sili has manufactured, offered to sell, sold and/or imported elastomeric dispensing containers that infringe one or more of the claims of the ‘036 patent (“the infringing products”), including at least claim 1 thereof. Copies of printouts showing the advertisement of the infringing products obtained on June 29, 2013, from Sili’s website (<http://www.thesilisqueeze.com/>) are attached hereto as Exhibit B.

9. On information and belief, the infringing products have been, and are now, on sale in this judicial district and elsewhere throughout the United States.

10. On information and belief, the acts of infringement by Sili are willful, intentional, and in conscious disregard of PKOH’s rights under the ‘036 patent.

11. As a result of Sili’s infringement of the claims of the ‘036 patent, Sili has made and will continue to make unlawful gains and profits, and PKOH has been and will continue to be deprived of revenue that it would otherwise have generated but for such infringement.

12. PKOH has been and will continue to be substantially and irreparably harmed by Sili’s infringement of the ‘036 patent.

13. The extent of PKOH’s damages cannot be determined except by an accounting.
