JURY TRIAL DEMANDED

FIRST AMENDED COMPLAINT FOR PATENT INFRINGEMENT

Plaintiff Evolutionary Intelligence, LLC states its First Amended Complaint against Defendant Apple Inc. and alleges as follows:

THE PARTIES

1. Plaintiff Evolutionary Intelligence, LLC is a limited liability company organized and existing under the laws of the State of Delaware, with its principal place of business in San Francisco, California.

2. Upon information and belief, Defendant Apple Inc. is a corporation organized and existing under the laws of the State of California, with its principal place of business at 1 Infinite Loop, Cupertino, California 95014.

JURISDICTION AND VENUE

3. Plaintiff realleges and incorporates by reference the above paragraphs of this Complaint, inclusive, as though fully set forth herein.

4. This action is for patent infringement pursuant to the patent laws of the United States, 35 U.S.C. §§ 1 *et seq.* This Court has subject matter jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1338(a).

5. Personal jurisdiction exists generally over Defendant because Defendant has sufficient minimum contacts with the forum as a result of business conducted within the State of Texas and within the Eastern District of Texas. Personal jurisdiction also exists specifically over Defendant because it, directly or through subsidiaries or intermediaries, makes, uses, offers for sale, sells, imports, advertises, makes available and/or markets one or more products and/or services within the State of Texas, and more particularly, within the Eastern District of Texas, that infringe the patent-in-suit, as described more particularly below.

6. Venue is proper in the Eastern District of Texas pursuant to 28 U.S.C. §§ 1391 and 1400(b), because Defendant has committed acts of infringement in the Eastern District of Texas and has transacted business in the Eastern District of Texas.

7. Plaintiff realleges and incorporates by reference the above paragraphs of this Complaint, inclusive, as though fully set forth herein.

8. A true and correct copy of the ’536 patent is attached hereto as Exhibit A.

9. Defendant has infringed and continues to infringe, literally and/or under the doctrine of equivalents, one or more claims of the ’536 patent under 35 U.S.C. § 271 by making, using, offering to sell, selling, and/or importing into the United States the patented invention within the United States. Specifically, Defendant has infringed and continues to infringe the ’536 patent by making, using, offering to sell, selling, and/or importing into the United States its iOS

10. As a result of Defendant's infringing activities with respect to the '536 patent, Plaintiff has suffered damages in an amount not yet ascertained. Plaintiff is entitled to recover damages adequate to compensate it for Defendant's infringing activities in an amount to be determined at trial, but in no event less than reasonable royalties, together with interest and costs. Defendant's infringement of Plaintiff's exclusive rights under the '536 patent will continue to damage Plaintiff, causing irreparable harm for which there is no adequate remedy at law, unless enjoined by this Court.
