COUNT I
INFRINGEMENT OF U.S. PATENT NO. 7,624,044

11. United States Patent No. 7,624,044 (the “‘044 patent”), entitled “System for marketing goods and services utilizing computerized central and remote facilities,” duly and legally issued on November 24, 2009.

12. VARIANT HOLDINGS, LLC is the assignee of the ‘044 Patent. VARIANT, INC. is the exclusive licensee of the ‘044 patent. Plaintiffs have standing to bring this lawsuit for infringement of the ‘044 Patent.

13. The claims of the ‘044 Patent cover, *inter alia*, apparatuses to market and/or sell goods or services over an electronic network comprising: a first computerized central communications facility adapted to be linked to a computerized remote facility and to a plurality of other computerized central communications facilities wherein at least one of said computerized central communications facilities is adapted to provide customer information regarding rentals.

14. The claims of the ‘044 Patent cover, *inter alia*, apparatuses to market and/or sell goods or services over an electronic network comprising a first computerized central communications facility adapted to be linked to a computerized remote facility and to a plurality of other computerized central communications facilities, wherein at least one of the computerized central communications facilities is adapted to provide customers a list of computerized central communications facilities permitting such customers to select and contact the other computerized central communications facilities to request additional information relating to goods or services.

15. On information and belief, all Defendants named herein have infringed the ‘044 patent pursuant to 35 U.S.C. § 271 through actions comprising the making, using, selling and/or

offering for sale in the United States of apparatuses to market and/or sell goods or services over an electronic network comprising a first computerized central communications facility adapted to be linked to a computerized remote facility and to a plurality of other computerized central communications facilities.

16. On information and belief, EXTENDED STAY has infringed the '044 patent in violation of 35 U.S.C. § 271 through actions comprising the making, using, selling and/or offering for sale in the United States of apparatuses to market and/or sell goods or services over an electronic network comprising a first computerized central communications facility adapted to be linked to a computerized remote facility and to a plurality of other computerized central communications facilities, wherein at least one of said computerized central communications facilities is adapted to provide customer information regarding rentals, and which are covered by one or more claims of the '044 patent. On information and belief, such apparatuses comprise www.exstay.com, www.homesteadhotels.com, www.extendedstayamerica.com, www.extendedstaydeluxe.com, www.studioplus.com and/or www.crosslandstudios.com.

17. Additionally, or in the alternative, EXTENDED STAY infringes the '044 patent jointly with the host(s) of the computers that host www.exstay.com, www.homesteadhotels.com, www.extendedstayamerica.com, www.extendedstaydeluxe.com, www.studioplus.com and/or www.crosslandstudios.com, including because said hosting is done under the direction and control of EXTENDED STAY.

18. Moreover, on information and belief, EXTENDED STAY has been and now is indirectly infringing by way of intentionally inducing infringement of the '044 patent in this judicial district, and elsewhere in the United States, including by aiding and abetting the making and using of systems associated with the hosting of www.exstay.com,

www.homesteadhotels.com, www.extendedstayamerica.com, www.extendedstaydeluxe.com, www.studioplus.com and/or www.crosslandstudios.com by the host(s) thereof, and/or by aiding and abetting the using of the systems associated with the hosting of www.exstay.com, www.homesteadhotels.com, www.extendedstayamerica.com, www.extendedstaydeluxe.com, www.studioplus.com and/or www.crosslandstudios.com by end user customers. Upon information and belief, such induced infringement has occurred at least since

19. On information and belief, NEXTAG has infringed the '044 patent in violation of 35 U.S.C. § 271 through actions comprising the making, using, selling and/or offering for sale in the United States of apparatuses to market and/or sell goods or services over an electronic network comprising a first computerized central communications facility adapted to be linked to a computerized remote facility and to a plurality of other computerized central communications facilities, wherein at least one of the computerized central communications facilities is adapted to provide customers a list of computerized central communications facilities permitting such customers to select and contact the other computerized central communications facilities to request additional information relating to goods or services, and which are covered by one or more claims of the '044 patent. On information and belief, such apparatuses comprise www.nextag.com.

20. On information and belief, TANGELEWOOD has infringed the '044 patent in violation of 35 U.S.C. § 271 through actions comprising the making, using, selling and/or offering for sale in the United States of apparatuses to market and/or sell goods or services over an electronic network comprising a first computerized central communications facility adapted to be linked to a computerized remote facility and to a plurality of other computerized central communications facilities, wherein at least one of said computerized central communications

facilities is adapted to provide customer information regarding rentals, and which are covered by one or more claims of the '044 patent. On information and belief, such apparatuses comprise www.tanglewood.com.

21. Additionally, or in the alternative, TANGLEWOOD infringes the '044 patent jointly with the host(s) of the computers that host www.tanglewood.com, including because said hosting is done under the direction and control of TANGLEWOOD.

22. Moreover, on information and belief, TANGLEWOOD has been and now is indirectly infringing by way of intentionally inducing infringement of the '044 patent in this judicial district, and elsewhere in the United States, including by aiding and abetting the making and using of systems associated with the hosting of www.tanglewood.com by the host(s) thereof, and/or by aiding and abetting the using of the systems associated with the hosting of www.tanglewood.com by end user customers. Upon information and belief, such induced infringement has occurred at least since this Defendant became aware of the '044 patent, at least through becoming aware of Variant's Original Complaint.

23. On information and belief, TRAVELNET has infringed the '044 patent in violation of 35 U.S.C. § 271 through actions comprising the making, using, selling and/or offering for sale in the United States of apparatuses to market and/or sell goods or services over an electronic network comprising a first computerized central communications facility adapted to be linked to a computerized remote facility and to a plurality of other computerized central communications facilities, wherein at least one of said computerized central communications facilities is adapted to provide customer information regarding rentals, and which are covered by one or more claims of the '044 patent. On information and belief, such apparatuses comprise www.resortsandlodges.com.

24. Additionally, or in the alternative, TRAVELNET infringes the '044 patent jointly with the host(s) of the computers that host www.resortsandlodges.com, including because said hosting is done under the direction and control of TRAVELNET.

25. Moreover, on information and belief, TRAVELNET has been and now is indirectly infringing by way of intentionally inducing infringement of the '044 patent in this judicial district, and elsewhere in the United States, including by aiding and abetting the making and using of systems associated with the hosting of www.resortsandlodges.com by the host(s) thereof, and/or by aiding and abetting the using of the systems associated with the hosting of www.resortsandlodges.com by end user customers. Upon information and belief, such induced infringement has occurred at least since this Defendant became aware of the '044 patent, at least through becoming aware of Variant's Original Complaint.

26. On information and belief, YELP has infringed the '044 patent in violation of 35 U.S.C. § 271 through actions comprising the making, using, selling and/or offering for sale in the United States of apparatuses to market and/or sell goods or services over an electronic network comprising a first computerized central communications facility adapted to be linked to a computerized remote facility and to a plurality of other computerized central communications facilities, wherein at least one of the computerized central communications facilities is adapted to provide customers a list of computerized central communications facilities permitting such customers to select and contact the other computerized central communications facilities to request additional information relating to goods or services, and which are covered by one or more claims of the '044 patent. On information and belief, such apparatuses comprise www.yelp.com.

27. Upon information and belief, each Defendants' infringement of the '044 patent since receiving notice of the patent, at a minimum by virtue of this lawsuit, has necessarily been willful and objectively reckless at least due to the fact that the Defendants' infringement is clear and there is no known good faith basis to assert invalidity.

28. As a result of Defendants' infringing conduct, Defendants have damaged VARIANT. Defendants are liable to VARIANT in an amount that adequately compensates VARIANT for their infringement, which, by law, can be no less than a reasonable royalty.

29. Further, Plaintiffs incorporate by reference their P.R. 3-1 Infringement Contentions as if fully set forth herein, in order to provide further notice of their infringement contentions for this matter.

PRAYER FOR RELIEF

WHEREFORE, VARIANT respectfully requests that this Court enter:

1. A judgment in favor of VARIANT that Defendants have infringed the '044 patent;
2. A permanent injunction enjoining Defendants, and their officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in active concert therewith from infringing the '044 patent;
3. A judgment and order requiring Defendants to pay VARIANT its damages, costs, expenses, fees and prejudgment and post-judgment interest for Defendants' infringement of the '044 patent as provided under 35 U.S.C. §§ 284 and/or 285;
4. A judgment and order finding that this is an exceptional case within the meaning of 35 U.S.C. § 285 and awarding to VARIANT its reasonable attorneys' fees; and
5. Any and all other relief to which VARIANT may show itself to be entitled.

DEMAND FOR JURY TRIAL

Pursuant to Rule 38 of the Federal Rules of Civil Procedure, VARIANT requests a trial by jury of any issues so triable by right.
