Notice of Appeal

Notice is hereby given that Summit Data Systems, LLC, plaintiff in the above named case, hereby appeals to the United States Court of Appeals for the Federal Circuit from an order granting the Motion for Attorney Fees and Costs filed by Netapp Inc., entered in this action on the 25th day of September, 2014 (Docket Item 261), in which the Court granted the request for attorneys' fees and found that the case was exceptional, as well as the related Memorandum also entered in this action on the 25th day of September, 2014 (Docket Item 260).
