

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF TEXAS  
MARSHALL DIVISION**

**CDR PRINTING LLC,**

Plaintiff,

v.

**STAPLES, INC.,**

Defendant.

**Civil Action No. 2:15-cv-453**

**JURY TRIAL DEMANDED**

**ORIGINAL COMPLAINT FOR PATENT INFRINGEMENT**

This is an action for patent infringement in which CDR Printing LLC (“CDR Printing” or “Plaintiff”) makes the following allegations against Staples, Inc. (“Staples”):

**PARTIES**

1. Plaintiff CDR Printing is a Texas limited liability company, having a principal place of business at 815 Brazos St., Ste. 500, Austin, TX 78701.

2. Defendant Staples is a corporation organized and existing under the laws of the State of Delaware, having its principal place of business at 500 Staples Dr., Framingham, MA 01702. Staples may be served via its registered agent: The Corporation Trust Company, Corporation Trust Center 1209 Orange Street, Wilmington, DE 19801.

**JURISDICTION AND VENUE**

3. This action arises under the patent laws of the United States, Title 35 of the United States Code. This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1338(a).

4. Venue is proper in this District under 28 U.S.C. §§ 1391(c) and 1400(b). On information and belief, Defendant has transacted business in this District, and has committed and/or induced acts of patent infringement in this District.

5. On information and belief, Defendant is subject to this Court's specific and general personal jurisdiction pursuant to due process and/or the Texas Long Arm Statue, due at least to its substantial business in this forum, including: (i) at least a portion of the infringements alleged herein; and (ii) regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to individuals in Texas and in this Judicial District.

**COUNT I**  
**INFRINGEMENT OF U.S. PATENT NO. 7,271,929**

6. Plaintiff is the owner by assignment of United States Patent No. 7,271,929 ("the '929 Patent") titled "System and Method for Integrated Printing and Assembly of Electronic Documents." The '929 Patent issued on September 18, 2007. A true and correct copy of the '929 Patent is hereto attached as **Exhibit A**.

7. Upon information and belief, Defendant has been and is now infringing the '929 Patent in the State of Texas, in this Judicial District, and elsewhere in the United States, by, among other things, methods practiced on various Staples products (including, without limitation, Staples Copy & Print), for providing formatting codes to control the look and feel of a document and complex rendering codes to control the addition of material to a document, covered by one or more claims of the '929 Patent to the injury of CDR Printing. Defendant is directly infringing, literally infringing, and/or infringing the '929 Patent under the doctrine of equivalents. Defendant is thus liable for infringement of the '929 Patent pursuant to 35 U.S.C. § 271.

8. As a result of Defendant's infringement of the '929 Patent, Plaintiff has suffered monetary damages and is entitled to a money judgment in an amount adequate to compensate for Defendant's infringement, but in no event less than a reasonable royalty for the use made of CDR Printing's invention by Defendant, together with interest and costs as fixed by the Court, and Plaintiff will continue to suffer damages in the future unless Defendant's infringing activities are enjoined by this Court.

9. Unless a permanent injunction is issued enjoining Defendant and its agents, servants, employees, representatives, affiliates, and all others acting on in active concert therewith from infringing the '929 Patent, Plaintiff will be greatly and irreparably harmed.

**PRAYER FOR RELIEF**

WHEREFORE, Plaintiff respectfully requests that this Court enter:

1. A judgment in favor of Plaintiff that Defendant has infringed the '929 Patent;
2. A permanent injunction enjoining Defendant and its officers, directors, agents servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in active concert therewith from infringement, inducing the infringement of, or contributing to the infringement of the '929 Patent, or such other equitable relief the Court determines is warranted;
3. A judgment and order requiring Defendant to pay to Plaintiff its damages, costs, expenses, and prejudgment and post-judgment interest for Defendant's infringement of the '929 Patent as provided under 35 U.S.C. § 284, and an accounting of ongoing post-judgment infringement; and
4. Any and all other relief, at law or equity, to which Plaintiff may show itself to be entitled.

**DEMAND FOR JURY TRIAL**

CDR Printing, under Rule 38 of the Federal Rules of Civil Procedure, requests a trial by jury of any issues so triable by right.

DATED April 2, 2015.

Respectfully submitted,

By: /s/ Hao Ni
