NOTICE OF APPEAL

Notice is hereby given that TruePosition, Inc., Plaintiff in the above-captioned case hereby appeals pursuant to 28 U.S.C. §§ 1292 & 1295 to the United States Court of Appeals for the Federal Circuit from the Final Judgment dated April 30, 2015 and entered on May 5, 2015 (Dkt. No. 274), including the district court’s Report and Recommendations regarding Claim Construction dated February 4, 2014 (Dkt. No. 221) and the Memorandum Order Adopting as Modified the Report and Recommendations dated August 26, 2014 (Dkt. No. 237) finding claims 113 and 114 of U.S. Patent No. 7,783,299 Patent indefinite under 35 U.S. C. §112, ¶2 and therefore invalid, and appeals all orders, judgments, and rulings entered in this action including those upon which the invalidity ruling and judgment is based.

Respectfully submitted,
