### **JURISDICTION AND VENUE**

4. This action arises under the patent laws of the United States, 35 U.S.C. § *et seq.*, including 35 U.S.C. § 271, 281, and 284-85, among others. This Court has subject matter jurisdiction over this case for patent infringement under 28 U.S.C. §1331 and §1338(a).

5. The Court has personal jurisdiction over Defendant because: Defendant is present within or have minimum contacts with the State of Texas and the Eastern District of Texas; Defendant has purposefully availed itself of the privileges of conducting business in the State of Texas and in the Eastern District of Texas; Defendant has sought protection and benefit from the laws of the State of Texas; Defendant regularly conducts business within the State of Texas and within the Eastern District of Texas; and Plaintiff's causes of action arise directly from Defendant's business contacts and other activities in the State of Texas and in the Eastern District of Texas.

6. More specifically, Defendant, directly and/or through authorized intermediaries, ships, distributes, offers for sale, sells, and/or advertises products and services in the United States, the State of Texas, and the Eastern District of Texas including but not limited to the Accused Instrumentalities as detailed below. Defendant solicits customers in the State of Texas and in the Eastern District of Texas. Defendant has paying customers who are residents of the State of Texas and the Eastern District of Texas and who use the Defendant's products and services in the State of Texas and in the Eastern District of Texas. Defendant derives substantial revenue from goods and services provided to individuals in Texas and in this district.

7. Venue is proper in the Eastern District of Texas pursuant to 28 U.S.C. §§1391 and 1400(b). On information and belief, Defendant has transacted business in this district, and has directly and/or indirectly committed and/or induced acts of patent infringement in this district.

**COUNT I– INFRINGEMENT OF U.S. PATENT 5,680,223**

8. Plaintiff refers to and incorporates herein the allegations of Paragraphs 1-7 above.

9. The ‘223 patent was duly and legally issued by the United States Patent and Trademark Office on October 21, 1997, after full and fair examination. The ‘223 patent is in full force and effect. Plaintiff is the owner by assignment of the ‘223 patent and possesses all rights of recovery under the ‘223 patent, including the exclusive right to sue for infringement and recover past damages.

10. Defendant owns, operates, advertises, controls, tests, sells, and otherwise provides systems and methods that infringe the ‘223 patent. The ‘223 patent provides, among other things, a “method comprising: (1) storing a data file in a data processing system; (2) obtaining and storing label data defining a label image; (3) the label image identifying the stored data file to a user; (4) obtaining associating data that associate the data file stored in the data processing system and the label data so that the stored data file can be accessed in the data processing system in response to a signal selecting the label image; (5) using the label data to present the label image to a user so that the user can provide a signal selecting the label image; (6) receiving the signal selecting the label image from the user; and (6) in response to the signal selecting the label image, accessing the stored data file.”

11. Defendant directly or through intermediaries, made, tested, had made, had tested, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or systems and methods for labeling a document for storage, manipulation and retrieval, that

infringed one or more claims of the '223 patent in this district and elsewhere in the United States, Particularly, Defendant makes, uses, tests, provides, offers for sale, and sells their product entitled Kyocera Echo and related products containing similarly situated image thumbnail technology ("Accused Instrumentality") which directly infringe the '223 patent.

12. Defendant's aforesaid activities have been without authority and/or license from Plaintiff.

13. In addition to what is required for pleadings under Form 18 for direct infringement in patent cases, and to the extent any marking was required by 35 U.S.C. § 287, Plaintiff and all predecessors in interest to the '223 Patent complied with all marking requirements under 35 U.S.C. § 287.

14. Plaintiff is entitled to recover from the Defendant the damages sustained by Plaintiff as a result of the Defendant's wrongful acts in an amount subject to proof at trial, which, by law, cannot be less than a reasonable royalty, together with interest and costs as fixed by this Court under 35 U.S.C. § 284.

#### **JURY DEMAND**

Plaintiff hereby requests a trial by jury pursuant to Rule 38 of the Federal Rules of Civil Procedure.

#### **PRAYER FOR RELIEF**

Plaintiff respectfully requests that the Court find in its favor and against the Defendant, and that the Court grant Plaintiff the following relief:

- A. A judgment in favor of Plaintiff that Defendant has infringed one or more of the claims, directly, and/or jointly of the '223 patent;

- B. An award to Plaintiff of damages adequate to compensate Plaintiff for the Defendant's acts of infringement together with pre-judgment and post-judgment interest;
- C. That this Court declare this to be an exceptional case and award Plaintiff its reasonable attorneys' fees and costs in accordance with 35 U.S.C. §285; and
- D. Any further relief that this Court deems just and proper.

Dated: June 5, 2015

Respectfully submitted,

By: /s/ Austin Hansley
