NATURE OF THE ACTION

1. This is an action for patent infringement arising under the patent laws of the United States, Title 35 of the United States Code (“U.S.C.”) to prevent and enjoin Defendant from infringing and profiting, in an illegal and unauthorized manner and without authorization and/or consent from Morpho, in connection with U.S. Patent No. 7,350,078 (the “’078 Patent”), U.S. Patent No. 7,725,725 (the “’725 Patent”), and U.S. Patent No. 8,429,415 (the “’415 Patent”)(collectively, the “Asserted Patents”)(attached hereto as Exhibits A, B, and C, respectively) pursuant to 35 U.S.C. §271, and to recover damages, attorneys’ fees, and costs.

THE PARTIES

2. Plaintiff Morpho is a limited liability company organized under the laws of the State of Texas with its principal place of business at 214 W Fannin St., Marshall, TX 75670.

3. On information and belief, Defendant BLU is a corporation organized and existing under the laws of the State of Delaware with its principal place of business at 10814 NW 33RD St, Bldg 100 Miami, FL 33172.

JURISDICTION AND VENUE

5. This Court has subject matter jurisdiction over this action pursuant to 28 U.S.C. §§1331 and 1338(a) because the action arises under the patent laws of the United States, 35 U.S.C. §§1 et seq.

6. This Court has personal jurisdiction over Defendant by virtue of its systematic and continuous contacts with this jurisdiction, as well as because of the injury to Morpho and the cause of action Morpho has raised, as alleged herein.

7. Defendant is subject to this Court's specific and general personal jurisdiction pursuant to due process and/or the Texas Long-Arm Statute, due to at least its substantial business in this forum, including: (i) at least a portion of the infringement alleged herein; and (ii) regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to individuals in this District.

8. Defendant has conducted and does conduct business within this District, directly or through intermediaries, resellers, agents, or offer for sale, sell, and/or advertise (including the use of interactive web pages with promotional material) products in this District

that infringe the Asserted Patents.

9. In addition to Defendant's continuously and systematically conducting business in this District, the causes of action against Defendant are connected (but not limited) to Defendant's purposeful acts committed in this District, including Defendant's making, using, importing, offering for sale, or selling products which include features that fall within the scope of at least one claim of the Asserted Patents.

10. Venue lies in this District under 28 U.S.C. §§1391 and 1400(b) because, among other reasons, Defendant is subject to personal jurisdiction in this District, and has committed and continues to commit acts of patent infringement in this District.
