This Court has personal jurisdiction over LYFT pursuant to, *inter alia*, Florida's long-arm statute, § 48.193, in that LYFT: (a) operates, conducts, engages in, and/or carries on a business or business adventure(s) in Florida and/or has an office or agency in Florida; (b) has committed one or more tortious acts within Florida; (c) was and/or is engaged in substantial and not isolated activity within Florida; and/or (d) has purposely availed itself of Florida's laws, services and/or other benefits and therefore should reasonably anticipate being hailed into one or more of the courts within the State of Florida.

4. Venue is proper in this Court pursuant to 28 U.S.C. § 1391 and 28 U.S.C. § 1400.

THE PLAINTIFF

5. Plaintiff, Shipping and Transit, LLC, is a Florida Limited Liability Company with a principal place of business located in Boynton Beach, Florida.

THE DEFENDANT

6. Defendant, LYFT, is a California Corporation with a principal place of business located in San Francisco. LYFT transacts business in Florida and within this Judicial District, and has, at a minimum, offered to provide and/or has provided to customers within this Judicial District and throughout the State of Florida services and/or products that infringe claims of the '970 patent. These services include, but are not limited to, providing email and text messages within this State and Judicial District, and providing taxi service rides to passengers within this State and Judicial District.

THE PLAINTIFF'S PATENT

7. Plaintiff owns all rights, titles and interests in, and/or has standing to sue for infringement of United States Patent Number 7,400,970 ("the '970 patent"), entitled "System and Method for an Advance Notification System for Monitoring and Reporting Proximity of a Vehicle", issued July 15, 2008. A copy of the '970 patent is attached hereto as Exhibit 1.

COUNT I
DIRECT PATENT INFRINGEMENT

8. Plaintiff hereby incorporates Paragraphs 1 through 7 set forth above as if fully set forth herein.

9. Pursuant to 35 U.S.C. § 271(a), LYFT has directly infringed claims of the '970 patent through, among other activities, products, programs, applications, functions, systems and methods, the use of tracking and notification technologies within its **"TEXT ALERTS"**,

“DRIVER ETA” and “LOCATION MAPPING” services that are protected within the ‘970 patent, as every claim limitation, or its equivalent, is found in these functions, applications, solutions, devices, programs, products, services, methods and/or systems.

10. LYFT’S direct infringement has injured and will continue to injure Plaintiff unless and until a monetary judgment is entered in favor of Plaintiff and/or the Court enters an injunction prohibiting further infringement and, specifically, enjoining further use of methods and systems that come within the scope of the ‘970 patent.

REQUEST FOR RELIEF

WHEREFORE, Plaintiff respectfully requests this Court to enter judgment against LYFT and its subsidiaries, affiliates, agents, servants, employees and all persons in active concert or participation with LYFT, granting the following relief:

B. Increased damages as permitted pursuant to 35 U.S.C. § 284;

C. A finding that this case is exceptional and award to Plaintiff its attorney’s fees and costs as provided by 35 U.S.C. § 285;

13. LYFT'S contributory infringement and/or inducement to infringe has injured and will continue to injure Plaintiff unless and until a monetary judgment is entered in favor of Plaintiff and/or the Court enters an injunction prohibiting further infringement and, specifically, enjoining further use of methods and systems that come within the scope of the '970 patent.
