

**THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF TEXAS  
MARSHALL DIVISION**

**CYVA RESEARCH HOLDINGS, LLC,**

Plaintiff,

v.

**CAPLINKED, INC.,**

Defendant.

**Civil Action No. 2:15-cv-1580**

**JURY TRIAL DEMANDED**

**ORIGINAL COMPLAINT FOR PATENT INFRINGEMENT**

This is an action for patent infringement in which CYVA Research Holdings, LLC (“CYVA” or “Plaintiff”) makes the following allegations against Caplinked, Inc. (“Caplinked” or “Defendant”):

**PARTIES**

1. Plaintiff CYVA is a Texas limited liability company, having a principal place of business of 7005 Chase Oaks Blvd., Suite 180, Plano, TX 75025.
2. Upon information and belief, Defendant Caplinked is a Delaware corporation with its principal place of business located 2015 Manhattan Beach Blvd. #108, Redondo Beach, California 90278. Caplinked may be served via its registered agent for service of process: Incorporating Services, Ltd., 3500 South Dupont Highway, Dover, DE 19901.

**JURISDICTION AND VENUE**

3. This action arises under the patent laws of the United States, Title 35 of the United States Code. This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1338(a).

4. Venue is proper in this district under 28 U.S.C. §§ 1391(c) and 1400(b). On information and belief, Defendant has transacted business in this district, and has committed and/or induced acts of patent infringement in this district.

5. Upon information and belief, Defendant is subject to this Court's specific and general personal jurisdiction pursuant to due process and/or the Texas Long Arm Statute, due at least to its substantial business in this forum, including: (i) at least a portion of the infringements alleged herein; and (ii) regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to individuals in Texas and in this judicial district.

**COUNT I**  
**INFRINGEMENT OF U.S. PATENT NO. 5,987,440**

6. Plaintiff is the owner by assignment of United States Patent No. 5,987,440 ("the '440 Patent") titled "Personal Information Security and Exchange Tool." The '440 Patent issued on November 16, 1999. A true and correct copy of the '440 Patent is attached as Exhibit A.

7. Upon information and belief, Defendant has been and is now infringing the '440 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, by, among other things, directly or through intermediaries, making, using, importing, providing, supplying, distributing, selling, and/or offering for sale systems for asserting and enforcing transitive trust of information exchanged between entities, such as Caplinked FileProtect DRM, which falls within the scope of at least claim 40 of the '440 Patent. For example, Caplinked FileProtect DRM is a computer-implemented system for asserting and enforcing transitive trust of information exchange between entities by way of their self-determining digital personas. *See <https://www.caplinked.com/fileprotect>*. Defendant is directly infringing, literally infringing,

and/or infringing the '440 Patent under the doctrine of equivalents. Defendant is thus liable for infringement of the '440 Patent pursuant to 35 U.S.C. § 271.

8. Upon information and belief, to the extent any marking was required by 35 U.S.C. § 287, all predecessors in interest to the '440 Patent complied with any such requirements.

9. As a result of Defendant's infringement of the '440 Patent, Plaintiff has suffered monetary damages and is entitled to a money judgment in an amount adequate to compensate for Defendant's infringement, but in no event less than a reasonable royalty for the use made of the invention by Defendant, together with interest and costs as fixed by the court, and Plaintiff will continue to suffer damages in the future unless Defendant's infringing activities are enjoined by this Court.

10. Unless a permanent injunction is issued enjoining Defendant and its agents, servants, employees, representatives, affiliates, and all others acting on in active concert therewith from infringing the '440 Patent, Plaintiff will be greatly and irreparably harmed.

**PRAYER FOR RELIEF**

WHEREFORE, Plaintiff respectfully requests that this Court enter:

1. A judgment in favor of Plaintiff that Defendant has infringed the '440 Patent;
2. A permanent injunction enjoining Defendant and its officers, directors, agents servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in active concert therewith from infringement, inducing the infringement of, or contributing to the infringement of the '440 Patent, or such other equitable relief the Court determines is warranted;
3. A judgment and order requiring Defendant pay to Plaintiff its damages, costs, expenses, and prejudgment and post-judgment interest for Defendant's infringement of the '440

Patent as provided under 35 U.S.C. § 284, and an accounting of ongoing post-judgment infringement; and

4. Any and all other relief, at law or equity, to which Plaintiff may show itself to be entitled.

**DEMAND FOR JURY TRIAL**

CYVA, under Rule 38 of the Federal Rules of Civil Procedure, requests a trial by jury of any issues so triable by right.

DATED October 3, 2015.

Respectfully submitted,

By: /s/ Hao Ni
