4. Venue is proper in this Court pursuant to 28 U.S.C. § 1391 and 28 U.S.C. § 1400.

THE PLAINTIFF

5. Plaintiff, Shipping and Transit, LLC, is a Florida Limited Liability Company with a principal place of business located in Boynton Beach, Florida.

THE DEFENDANT

6. Defendant, NASHBAR, is a North Carolina Corporation with a principal place of business in Chapel Hill, North Carolina. Upon information and belief, NASHBAR transacts business in Florida and within this Judicial District through use of its electronic tracking, text, email and other messaging to customers within this State and Judicial District. It has a Registered Agent located in Plantation, Florida, and has, as is readily apparent, at a minimum, offered to provide and/or has provided to customers specifically within this Judicial District and throughout the State of Florida services and/or products that infringe claims of the 7,400,970.

THE PLAINTIFF'S PATENTS

7. Plaintiff owns all rights, titles and interests in, and/or has standing to sue for infringement of United States Patent Number 7,400,970 ("the '970 patent"), entitled "System and Method for an Advance Notification System for Monitoring and Reporting Proximity of a Vehicle", issued July 15, 2008. A copy of the '970 patent is attached hereto as Exhibit 1.

COUNT I
DIRECT PATENT INFRINGEMENT

8. Plaintiff hereby incorporates Paragraphs 1 through 7 set forth above as if fully set forth herein.

9. Pursuant to 35 U.S.C. § 271(a), NASHBAR has directly infringed claims of the 7,400,970 patent through, among other activities, products, programs, applications, functions, systems and methods, the use of tracking and notification technologies within its "ADVANCE

SHIP NOTICE” (“You will receive and email once your order has been processed”... “You can find the status of your order online by visiting our order status page” nashbar.com) and **“SHIPPING CONFIRMATION EMAIL”** (“We send a shipping confirmation email when your order leaves our shipping facility” nashbar.com) services that are protected within the 7,400,970 patent, as every claim limitation, or its equivalent, is found in these functions, applications, solutions, devices, programs, products, services, methods and/or systems.

10. NASHBAR'S direct infringement has injured and will continue to injure Plaintiff unless and until a monetary judgment is entered in favor of Plaintiff and/or the Court enters an injunction prohibiting further infringement and, specifically, enjoining further use of methods and systems that come within the scope of the 7,400,970 patent.

REQUEST FOR RELIEF

WHEREFORE, Plaintiff respectfully requests this Court to enter judgment against NASHBAR and its subsidiaries, affiliates, agents, servants, employees and all persons in active concert or participation with NASHBAR, granting the following relief:

- A. An award of damages against NASHBAR adequate to compensate Plaintiff for the infringement that has occurred with respect to NASHBAR, together with prejudgment interest from the date that NASHBAR'S infringement of the patents at issue began;
- B. Increased damages as permitted pursuant to 35 U.S.C. § 284;
- C. A finding that this case is exceptional and award to Plaintiff its attorney's fees and costs as provided by 35 U.S.C. § 285;
- D. A permanent injunction against NASHBAR prohibiting further infringement of the patents at issue; and,
- E. All other relief as the Court or a jury may deem proper and just in this instance.

COUNT II
INDIRECT PATENT INFRINGEMENT

11. Plaintiff hereby incorporates Paragraphs 1 through 7 set forth above as if fully set forth herein.

12. Pursuant to 35 U.S.C. §§ 271(b) and (c), NASHBAR has indirectly infringed claims of the 7,400,970 patent through, among other activities, products, programs, applications, functions, systems and methods, the use of tracking and notification technologies within its “**ADVANCE SHIP NOTICE**” (“You will receive and email once your order has been processed”... “You can find the *status of your order online* by visiting our order status page” nashbar.com) and “**SHIPPING CONFIRMATION EMAIL**” (“We send a *shipping confirmation email* when your *order leaves our shipping facility*” nashbar.com) services that are protected within the 7,400,970 patent, as NASHBAR actively and intentionally induced infringement with knowledge that the induced acts constituted infringement, or acted with willful blindness; and/or contributed to infringement by one or more third parties as NASHBAR had knowledge, rather than intent, that its activity caused such infringement.

13. NASHBAR’S contributory infringement and/or inducement to infringe has injured and will continue to injure Plaintiff unless and until a monetary judgment is entered in favor of Plaintiff and/or the Court enters an injunction prohibiting further infringement and, specifically, enjoining further use of methods and systems that come within the scope of the 7,400,970 patent.

REQUEST FOR RELIEF

WHEREFORE, Plaintiff respectfully requests this Court to enter judgment against NASHBAR and its subsidiaries, affiliates, agents, servants, employees and all persons in active concert or participation with NASHBAR, granting the following relief:

- B. Increased damages as permitted pursuant to 35 U.S.C. § 284;
- C. A finding that this case is exceptional and award to Plaintiff its attorney's fees and costs as provided by 35 U.S.C. § 285;
