**THE PATENT-IN-SUIT**

1  
2 8. On July 15, 2008, United States Patent No. 7,400,970 (“the ’970 Patent”),  
3 entitled, “System and method for an advance notification system for monitoring and  
4 reporting proximity of a vehicle” was duly and legally issued by the United States Patent  
5 and Trademark Office. A true and correct copy of the ’970 Patent is attached as Exhibit  
6 A to this complaint.

7 9. Plaintiff is the assignee and owner of the right, title and interest in and to  
8 the ’970 Patent including the right to assert all causes of action arising under said patents  
9 and the right to any remedies for infringement of them.

10 **COUNT I – INFRINGEMENT OF U.S. PATENT NO. 7,400,970**

11 10. Plaintiff repeats and realleges the allegations of paragraphs 1 through 9 as if  
12 fully set forth herein.

13 11. Without license or authorization and in violation of 35 U.S.C. § 271(a),  
14 Defendant has infringed and continues to infringe the ’970 Patent by making, using,  
15 offering for sale and/or selling within this district and elsewhere in the United States a  
16 computer based notification system that enables communication with a user that is  
17 designed to receive delivery of a package and provides a means for requesting entry by  
18 user of a package identification number.

19 12. Specifically, Defendant’s ship notice/manifest, sometimes referred to as the  
20 Advanced Shipment Notice (ASN), or the 856 EDI document, is generated when a user  
21 at a computer system elects to purchase an item via Defendant’s website and enters an  
22 email address as part of the purchase process. Defendant explains by purchasing they  
23 will be provided “order confirmation” and more importantly “shipment confirmation”  
24 by selecting to purchase from their website. When a user selects a method of shipping  
25 when purchasing an item from Defendant’s website, a user necessarily is required to  
26 elect a shipping method that allows tracking. Once this election is made, and as the  
27 order is processed, shipment confirmations are sent based on a tracking input when the  
28 package starts its route (likely pick-up, placed on conveyer belt and/or scanned out to

loading dock/out of warehouse, etc.) to its destination (delivery address). This process is evidenced on Defendant’s Shipping Policy web page :

**Shipping Policy**

Babyhaven.com is one of the only retailers that offer international shipping options. We strive to ship every product we can to any country in the world. Although we would love to be able to ship all of our products across the US border, sometimes a certain product does not meet our requirements and therefore will not be allowed to ship outside of the United States. To see if a certain item is eligible for international shipping you must add it to the cart.

Babyhaven.com always selects the most cost effective and reliable carrier for your order. Typically, we ship your order via FedEx Ground, but some orders are shipped via UPS, USPS, or even white-glove service.

Our standard ground shipping prices for orders within the 48 continental United States are as follows:

- Up to \$25 = \$6.49
- \$25 to \$99.99 = \$4.99
- \$100 or over = FREE

All in stock items will be shipped the same business day if ordered by 5 PM EST. Orders shipped directly from the manufacturer typically take 1 to 3 business days to ship. On the item detail page it will give the approximate handling time for each item under the Add to Cart button.

All international buyers are responsible for their country's incoming duties or tariffs charged to import your order. The declared value will always be the amount that you paid for your order. Duties and tariffs are to be paid to your own country and not to Babyhaven.com. All duties and tariffs are in addition to any charges by Babyhaven.com.

US Buyers are given multiple shipping choices for each in stock item that they order. Usually they are:

*1 Business Day, 2 Business Days, 3 Business Days, and 1 to 7 Business Days*

Babyhaven.com will ship your order based on your shipping selection. We will use whatever shipping carrier and service that we deem to accommodate your time constraints. Choosing 1 Business Day does not guarantee that we will ship your order via Overnight Express Service. Since we have multiple warehouses across the United States we can sometimes get your order to you within your time constraints without shipping your order via an express service.

13. Plaintiff is entitled to recover from Defendant the damages sustained by Plaintiff as a result of Defendant’s infringement of the ’970 Patent in an amount subject

1 to proof at trial, which, by law, cannot be less than a reasonable royalty, together with  
2 interest and costs as fixed by this Court under 35 U.S.C. § 284.

3 14. Prior to the filing of this Complaint, Plaintiff, by letter dated November 2,  
4 2015, informed Defendant of Defendant's infringement of the '970 Patent.

5 15. Thus, Defendant has been on notice of the '970 Patent since at least the  
6 date it received Plaintiff's letter dated November 2, 2015.

7 16. Upon information and belief, Defendant has not altered its infringing  
8 conduct after receiving Plaintiff's letter dated November 2, 2015.

9 17. Upon information and belief, Defendant's continued infringement despite  
10 its knowledge of the '970 Patent and the accusations of infringement has been  
11 objectively reckless and willful.

12  
13 **PRAYER FOR RELIEF**

14 WHEREFORE, Plaintiff requests that this Court enter judgment against  
15 Defendant as follows:

16 A. An adjudication that Defendant has infringed the '970 patent;

17 B. An award of damages to be paid by Defendant adequate to compensate  
18 Plaintiff for Defendant's past infringement of the '970 patents and any continuing or  
19 future infringement through the date such judgment is entered, including interest, costs,  
20 expenses and an accounting of all infringing acts including, but not limited to, those acts  
21 not presented at trial;

22 C. A declaration that this case is exceptional under 35 U.S.C. § 285, and an  
23 award of Plaintiff's reasonable attorneys' fees;

24 D. To the extent Defendant's conduct subsequent to the date of its notice of  
25 the '970 patent is found to be objectively reckless, enhanced damages pursuant to 35  
26 U.S.C. § 284 for its willful infringement of the '970 patent; and

27 ///

1 E. An award to Plaintiff of such further relief at law or in equity as the Court  
2 deems just and proper.
