

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLORADO**

Civil Action No. \_\_\_\_\_

SENTEGRA, LLC,

Plaintiff,

v.

ASUS COMPUTER INTERNATIONAL,

Defendant.

---

**COMPLAINT FOR PATENT INFRINGEMENT AND JURY DEMAND**

---

Plaintiff Sentegra, LLC (“Sentegra” or “Plaintiff”) by and for its Complaint against Defendant ASUS Computer International. (“ASUS” or “Defendant”) hereby alleges as follows:

**NATURE OF THE CASE**

1. This is an action for patent infringement arising under the patent laws of the United States. Sentegra holds the rights in U.S. Patent No. 7,920,904 (“the ‘904 patent”). The United States patent laws grant the holder of a patent the right to exclude infringers from making, using, selling or importing the invention claimed in a patent, and to recover damages for the infringer’s violations of these rights, and to recover treble damages where the infringer willingly infringed the patent. Under 35 U.S.C. § 282(a), the ‘904 Patent is entitled to a presumption of validity. Sentegra is suing Defendant for infringing its patent, and doing so willfully. Sentegra seeks to recover damages from Defendant, including treble damages for willful infringement.

**THE PARTIES**

2. Sentegra is a limited liability company, organized and existing under the laws of the State of Delaware, having a place of business at 869 Homestake Court, Castle Rock, CO 80108.

3. Upon information and belief, Defendant ASUS Computer International is a corporation, organized and existing under the laws of the State of California with its principal place of business at 800 Corporate Way, Fremont, CA 94539. ASUS Computer International can be served via its registered agent CT Corporation System at 818 West Seventh Street, 2<sup>nd</sup> Floor, Los Angeles, California 90017.

4. Upon information and belief, Defendant has engaged in the design, manufacture, marketing and sale of one or more ASUS-branded mobile devices, including but not limited to the ASUS ZenFone 2 Laser, ASUS ZenFone 2 Deluxe, ASUS ZenFone 2, ASUS PadFone X, and the PadFone X mini (collectively the “ASUS Accused Products”).

**JURISDICTION**

5. This is an action for patent infringement arising under the patent laws of the United States of America, more specifically under 35 U.S.C. § 100, *et seq.* Subject matter jurisdiction is proper in this Court pursuant to 28 U.S.C. §§ 1331 and 1338.

6. The Court has personal jurisdiction over Defendant because Defendant, among other things, conducts business in, and avails itself of the laws of the State of Colorado. In addition, upon information and belief, Defendant through its own acts and/or through the acts of its affiliated companies (acting as their agents or alter egos) makes, uses, offers to sell, sells (directly or through intermediaries), imports, licenses and/or supplies, in this District and elsewhere in the United States, products, through regular distribution channels, knowing such

products would be used, offered for sale and/or sold in this District. Plaintiff's cause of action arises directly from Defendant's business contacts and other activities in the State of Colorado and in this District.

7. Upon information and belief, Defendant directly or through its subsidiaries or intermediaries, makes, uses, offers for sale, sells, imports, advertises, makes available and/or markets and, at all relevant times has made, used, offered for sale, sold, imported, advertised and made available and/or marketed products within the District of Colorado, through their [www.asus.com](http://www.asus.com) website, and including but not limited to through the [www.att.com](http://www.att.com), [www.target.com](http://www.target.com), [www.amazon.com](http://www.amazon.com), [www.walmart.com](http://www.walmart.com) and other websites thereby infringing the '904 patent.

#### **VENUE**

8. Venue properly lies within this judicial district and division, pursuant to 28 U.S.C. §§ 1391(b), (c), and (d), and 1400(b).

9. Upon information and belief, Defendant resides in this District for the purposes of venue, insofar as it is subject to the personal jurisdiction in this District, has committed acts of infringement in this District, solicits business in this District, and conducts other business in this District.

#### **INFRINGEMENT OF U.S. PATENT NO. 7,920,904**

10. Sentegra incorporates by reference the allegations set forth in the preceding paragraphs.

11. On April 5, 2011, the '904 patent, entitled "Mobile Terminal," was duly and lawfully issued based upon an application filed by inventors, Eu-Gene Kim and Ha-yong Kim. A true and correct copy of the '904 Patent is attached hereto as Exhibit 1.

12. Sentegra is the assignee and the owner of all right, title and interest in and to the '904 patent, and has the right to sue and recover damages for infringement thereof.

13. Upon information and belief, by acts including, but not limited to use, making, importation, offers to sell, sales and marketing of products that fall within the scope of at least claim 1 of the '904 patent, Defendant has directly infringed literally and/or upon information and belief, equivalently, and is continuing to infringe the '904 patent and is thus liable to Sentegra pursuant to 35 U.S.C. § 271.

14. Defendant has indirectly infringed and continues to infringe at least claim 1 of the '904 patent by inducement under 35 U.S.C. 271(b). Defendant has induced and continues to induce users and retailers of the ASUS Accused Products to directly infringe at least claim 1 of the '904 patent.

15. Upon information and belief, Defendant knowingly induced customers to use its ASUS Accused Products, including, for example, by promoting such products online (e.g., www.asus.com) and/or providing customers with instructions and/or manuals for using the ASUS Accused Products. Likewise, Defendant knowingly induced retailers to market and sell the ASUS Accused Products.

16. Defendant's infringement of the '904 patent is without consent of, authority of, or license from Sentegra.

17. Upon information and belief, Defendant's infringement of the '904 patent is willful. This action, therefore, is "exceptional" within the meaning of 35 U.S.C. § 285 entitling Sentegra to its attorneys' fees and expenses.

18. As a result of Defendant's acts of infringement, Sentegra has suffered and will continue to suffer damages in an amount to be proven at trial.

**PRAYER FOR RELIEF**

WHEREFORE, Sentegra requests this Court enter judgment as follows:

- A. That the '904 patent is valid and enforceable;
- B. That Defendant has directly and indirectly infringed the '904 patent;
- C. That such infringement is willful;
- D. That Defendant accounts for and pays to Sentegra all damages pursuant to 35 U.S.C. § 284 to adequately compensate Sentegra for Defendant's infringement of the '904 patent, but in no event less than a reasonable royalty for the use made by Defendant of the inventions set forth in the '904 patent;
- E. That Sentegra receives enhanced damages, in the form of treble damages, pursuant to 35 U.S.C. § 284;
- F. That this is an exceptional case under 35 U.S.C. § 285;
- G. That Defendant pays Sentegra all of Sentegra's reasonable attorneys' fees and expenses pursuant to 35 U.S.C. § 285;
- H. That Sentegra be granted pre-judgment and post-judgment interest in accordance with 35 U.S.C. § 284 on the damages caused to it by reason of Defendant's infringement of the '904 patent, including pre-judgment and post-judgment interest on any enhanced damages or attorneys' fees award;
- I. That costs be awarded in accordance with 35 U.S.C. § 284 to Sentegra;  
and
- J. That Sentegra be granted such other and further relief as the Court may deem just and proper under the circumstances.

**DEMAND FOR JURY TRIAL**

Sentegra hereby demands a trial by jury on all issues so triable in this action.
