NOTICE OF APPEAL

Notice is hereby given that Teva Pharmaceuticals USA, Inc. and Teva Pharmaceutical Industries Ltd., defendants in this case, appeal to the United States Court of Appeals for the Federal Circuit from the Supplemental Opinion entered in this action on March 3, 2016 (Dkt. 381), together with all earlier and later orders, rulings, and findings, including without limitation this Court's Outline of Supplemental Opinion and Text Order (Dkt. 382, 383). The Supplemental Opinion merely elaborates on the original opinion and separate "final judgment" that has already been appealed by the same appellants. *See* Case No. 16-1284 (Fed. Cir.). In fact, the Federal Circuit extended the time to file our opening brief so that, in that brief, we could address the Supplemental Opinion. No. 16-1284 (Dkt. 52). That brief has now been filed, and it expressly addresses the Supplemental Opinion.

In short, this is a prophylactic notice of appeal. As we will explain in a motion to the Federal Circuit, the two appeals should be consolidated and be governed by all deadlines and decisions in the first appeal, which addresses the Supplemental Opinion that is the subject of this notice.

Respectfully submitted,

Teva Pharmaceuticals USA, Inc. and
Teva Pharmaceutical Industries Ltd.
