FACTUAL BACKGROUND

9. Lisbeth Lehan, as a new mother, searched for a suitable child carrier after her first child was born. Unfortunately, she found available carriers wanting. Then-existing child carriers offered limited carrying positions and were quickly outgrown. In addition, they poorly distributed weight and were uncomfortable for both the child and transporting individual. Ms. Lehan purchased a carrier and tried it with her child. Unfortunately, her use of the carrier with her child caused her great discomfort.

10. Ms. Lehan's less than satisfactory experience with available child carriers led her to create innovative carriers that are sold by her company, LILLEbaby. The LILLEbaby carriers are adaptable both to the child's development stage and size, and a child may be carried in various positions, such as facing inward or outward, and on the transporting individual's front, hip or back, which improves weight distribution. An illustration of these various carrying positions reproduced below.

11. From its humble beginnings, LILLEbaby has grown to become one of the leading child carrier producers on the market. Since then, LILLEbaby has marketed, promoted, advertised, and sold its child carriers and related products through multiple channels, including on its well-known website located at www.LILLEbaby.com.

12. The industry recognized the value of Ms. Lehan's innovation. Indeed, the LILLEbaby carrier has received numerous accolades and unsolicited media attention. For example, Baby Gizmo wrote "I feel like I had to buy 3 different carriers to get all the features LILLEbaby put into one." Baby Bottom Line said "The carrier is. . . the Mother of all carriers . . . it's NUTS! This . . . by far . . . is the most functional carrier I have used!" The LILLEbaby carrier has also received numerous awards, including the "Mom's Choice Awards," the Babylist "Best Pick" award, the Tillywig "Parents' Favorite Products" award, the "Cribsie" award and is a Mom Trends "Must-haves" winner.

13. LILLEbaby has invested significant resources to protect its innovations, including pursuing patent protection.

14. LILLEbaby's patents have been infringed by parties including Defendant in this action.
