Case No.21-cv-01499

JURY TRIAL DEMANDED

PROPOSED AMENDED COMPLAINT

- 1) That Plaintiff is a single member Missouri Limited Liability Company with the member being a citizen of the State of Missouri.
- 2) That the City of San Francisco is a municipality in the State of California and citizen of the State of California.
- 3) That Serco, Inc. is a corporation that is incorporated in the State of New Jersey.
- 4) That Oracle is a corporation that is incorporated in the State of Delaware.

5) Venue is proper in this court as the patented method in question was developed in this district and patented while in this district. [35 USC § 1338](#).

PATENT INFRINGEMENT

6) That on or about October 8, 2019, Mr. Gil Bashani was awarded Patent US 10,438,421 B2 (“Patent”); subsequently, he assigned the patent to Parking World Wide, LLC on or about November 7, 2019.

7) The Patented method is a parking status system that overlays images of a street, a lot, or a garage with representations of parked vehicles the status of any parking space shown in the image and uses same for enforcement of parking laws.

8) The Patented method transforms parking space, payment, and subscriber data into parking space status shown in real time to a user.

9) Claim 1 of the Patent includes, inter alia, assembling a database upon a computer of parking spaces including their geographic locations and updating a database upon a computer of subscribers.

10) Claim 5 of the Patent includes, inter alia, assembling a database upon a computer of parking spaces including their geographic locations and updating a database upon a computer of subscribers.

11) The City of San Francisco through the San Francisco Municipal Transportation Agency (“SFMTA”) infringes on Plaintiff’s Patent by using demand responsive pricing and SFPark parking control software with a database of metered parking spaces that copies Plaintiff’s patented method and as such is an infringement of patent pursuant to [35 U.S.C. § 271\(a\)](#).

12) That pursuant to a letter produced by the SFMTA dated November 23, 2020 if SFMTA has infringed on any patent claim and/or intellectual property infringement

Serco provided intellectual property a portion of some and/or of such intellectual property and as such contributed to the infringement of patent pursuant to 35 U.S.C. § 271(c).

13) That pursuant to a letter produced by the SFMTA dated November 23, 2020 if SFMTA has infringed on any patent claim and/or intellectual property infringement Oracle provided intellectual property a portion of some and/or of such intellectual property and as such contributed to the infringement of patent pursuant to 35 U.S.C. § 271(c).

14) Upon information and belief Serco has and is infringing upon Plaintiff's patent in other jurisdictions in the United States and most likely, in the State of Missouri and as such is an infringement of patent pursuant to 35 U.S.C. § 271(a).

15) Upon information and belief Oracle has and is infringing upon Plaintiff's patent in other jurisdictions in the United States and most likely, in the State of Missouri and as such is an infringement of patent pursuant to 35 U.S.C. § 271(a).

16) The actions of said Defendants have caused and are causing Plaintiff to suffer monetary damages.

17) Further actions by Defendants will cause continued harm to Plaintiff and as such must be ordered to immediately stop infringing on Plaintiff's patent.

WHEREFORE, Plaintiff moves for a judgment in its favor of Plaintiff and against Defendants in proportion of damages caused to Plaintiff, an Order demanding that Defendants cease infringing on Plaintiff's patent and enter any other Orders this Court deems necessary and proper.
