Attorneys for Defendant
POLYCOM, INC.

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

FullView, Inc., a Delaware Corporation,

Plaintiff,

v.

Polycom, Inc., a Delaware Corporation,

Defendant.

Case No. 3:18-cv-00510-EMC

**DEFENDANT POLYCOM, INC.'S
NOTICE OF APPEAL**

DEFENDANT POLYCOM, INC.'S NOTICE OF APPEAL

NOTICE IS HEREBY GIVEN that Defendant Polycom Inc. ("Polycom") appeals to the United States Court of Appeals for the Federal Circuit from the above-captioned matter.

The operative complaint in this matter, Plaintiff FullView, Inc.'s ("FullView") Second Amended Complaint ("SAC"), was filed on July 2, 2020, asserting infringement of U.S. Patent Nos. 6,700,711 (the "'711 patent") and 6,128,143 (the "'143 patent"). ECF No. 75. On September 10, 2020, the Court granted Polycom's partial motion to dismiss the SAC with respect to the '711 patent. ECF No. 105. On March 21, 2022, the Court denied Polycom's motion for summary judgment that the asserted claims of the '143 patent are invalid and granted FullView's motion for summary judgment that the asserted claims of the '143 patent are valid. ECF No. 187. On October 19, 2022, the Court denied Polycom's motion for summary judgment that the asserted claims of the '143 patent are not infringed and granted FullView's motion for summary judgment that the asserted claims of the '143 patent are infringed. ECF No. 210. As such, with respect to both asserted patents, this matter is now "final except for an accounting" and is thus appealable under 28 U.S.C. § 1292(c)(2). *See Robert Bosch, LLC v. Pylon Mfg. Corp.*, 719 F.3d 1305, 1320 (Fed. Cir. 2013).

In view of the foregoing, Polycom appeals from any and all decisions, orders, rulings, findings, and/or conclusions adverse to Polycom in this matter, including but not limited to those in: (i) the Court's Order Granting Plaintiff's Motion for Summary Judgment and Denying Defendant's Motion for Summary Judgment, entered October 19, 2022 (ECF No. 210); (ii) the Court's Order Denying Defendant's Motion for Summary Judgment and Granting Plaintiff's Motion for Summary Judgment, entered March 21, 2022 (ECF No. 187); (iii) the Court's Order Denying Defendant's Motion for Leave to Amend Answer, Invalidity Contentions, and to Compel Production, entered November 30, 2021 (ECF No. 172); (iv) the Court's Supplemental Claim Construction Order, entered April 20, 2021 (ECF No. 142); and (v) the Court's Claim Construction Order, entered April 5, 2021 (ECF No. 137).
