Defendant.)	(JURY TRIAL DEMANDED)
)	
)	

Plaintiff, Larry Holmberg (“Holmberg”), for his complaint against Defendant, Oregon Scientific, Inc. (“Oregon Scientific”), alleges as follows:

THE PARTIES

1. Plaintiff Holmberg is an individual residing at 31554 410th Avenue Southeast, Gully, Minnesota, 56646.

2. Upon information and belief, Defendant Oregon Scientific is a corporation organized under the laws of the state of Oregon having a principal place of business at 19861 Southwest 95th Avenue, Tualatin, Oregon, 97062.

JURISDICTION AND VENUE

3. This is an action for patent infringement under the patent laws of the United States, 35 U.S.C. § 1 *et seq.*, and particularly 35 U.S.C. § 271.

4. This court has subject matter jurisdiction under 28 U.S.C. §§ 1331 and 1338(a).

5. Upon information and belief, defendant Oregon Scientific transacts and has transacted business throughout the United States, and has committed tortious acts within the State of Minnesota, causing injury to Plaintiff Holmberg in the State of Minnesota, thereby establishing sufficient minimum contacts. This Court has personal jurisdiction over Oregon Scientific by reason of committing acts of infringement, inducement to infringe and/or contributory infringement within the State of Minnesota and this judicial district.

6. Venue in the United States District Court for the District of Minnesota is proper pursuant to 28 U.S.C. §§ 1391(c) and 1400(b) because Oregon Scientific is a corporation over which the Court has personal jurisdiction.

COUNT I: INFRINGEMENT OF U.S. PATENT NO. 7,006,144

7. Holmberg incorporates and re-alleges paragraphs 1 through 6.

8. On February 28, 2006, U.S. Patent Number 7,006,144 entitled “Video Camera Recorder” (“the ‘144 patent”) was duly and legally issued by the United States Patent and Trademark Office. A true and correct copy of the ‘144 patent is attached as Exhibit A to the Complaint.

9. Holmberg is the sole inventor and owner of the entire right, title, and interest in and to the ‘144 patent with the right to sue for past, present, and future infringement of the ‘144 patent.

10. Oregon Scientific has been and is making, using, selling, offering for sale, and/or importing, without license or authority from Holmberg, in this district and elsewhere in the United States, video recorders that embody the invention(s) claimed in the ‘144 patent under 35 U.S.C. § 271.

11. Upon information and belief, Oregon Scientific will continue to directly infringe, contributorily infringe, and/or induce infringement of the '144 patent unless enjoined by the Court.

12. Holmberg has been damaged by Oregon Scientific's infringement of the '144 patent, and will continue to be damaged by that infringement unless enjoined by this court.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff, Holmberg, prays for the following relief:

a. That Oregon Scientific, its officers, agents, servants, employees and attorneys, and all persons in active concert or participation with them be found to have infringed the valid U.S. Patent No. 7,006,144, and be enjoined, preliminarily and permanently, from making, using, selling, offering for sale or importing into the United States products which infringe U.S. Patent No. 7,006,144;

b. That Holmberg be compensated by Oregon Scientific for the damages caused by Oregon Scientific's infringement of U.S. Patent No. 7,006,144 under 35 U.S.C. § 284, in an amount to be determined by an accounting, but not less than a reasonable royalty, plus interest;

c. That the award of damages for infringement of U.S. Patent No. 7,006,144 be trebled as provided for by 35 U.S.C. § 284 for willful infringement by Oregon Scientific.

d. That Holmberg be awarded its costs and attorneys' fees incurred in prosecuting this exceptional case, as provided for by 35 U.S.C. § 285, plus interest; and

e. That Holmberg be awarded such other relief as the Court deems just and proper.

JURY DEMAND

Holmberg demands a jury trial on all issues so triable.
