II. JURISDICTION AND VENUE

14. Plaintiffs repeat and re-allege the allegations in Paragraphs 1–23 as though fully set forth in their entirety.

15. This action arises under the patent laws of the United States, Title 35, United States Code § 1, *et seq.* This Court has exclusive subject matter jurisdiction over this case for patent infringement under 28 U.S.C. §§ 1331 and 1338(a).

16. Personal jurisdiction exists generally over each of the Defendants because each has sufficient minimum contacts with the forum as a result of business conducted within the State of Texas and within the Eastern District of Texas. Personal jurisdiction also exists specifically over each of the Defendants because each, directly or through subsidiaries or intermediaries, makes, uses, offers for sale, sells, imports, advertises, makes available and/or markets products and services within the State of Texas, and more particularly, within the Eastern District of Texas, that infringe the patents-in-suit, as described more particularly below.

17. Venue is proper in the Eastern District of Texas under 28 U.S.C. §§ 1391(b)–(c) and 1400(b).

III. PATENT INFRINGEMENT

18. Plaintiffs repeat and re-allege the allegations in Paragraphs 1–17 as though fully set forth in their entirety.

19. United States Patent No. 5,838,906 (“the ’906 Patent”) entitled “Distributed hypermedia method for automatically invoking external application providing interaction and display of embedded objects within a hypermedia document,” and United States Patent No. 7,599,985 (“the ’985 Patent”) entitled “Distributed hypermedia method and system for automatically invoking external application providing interaction and display of embedded objects within a hypermedia document” were duly and legally issued by the United States Patent and Trademark Office on November 17, 1998 (’906 Patent) and October 6, 2009 (’985 Patent) after full and fair examination and are owned by assignment by The Regents. The United States Patent and Trademark Office, after initially issuing the ’906 Patent, has affirmed its validity on two separate occasions, most recently in February 2009. The ’906 Patent and the ’985 Patent may be collectively referred to hereafter as “the patents”.

20. Eolas has an exclusive license to the patents that includes, without limitation, the following: (a) all exclusionary rights under the patents, including, but not limited to, (i) the exclusive right to exclude others from making, using, offering for sale, or selling products embodying the patented inventions throughout the United States or importing such products into the United States, and (ii) the exclusive right to exclude others from using and otherwise practicing methods embodying the patented inventions throughout the United States; and (b) the exclusive right to sue and seek damages for infringement of any of the exclusionary rights identified above.

21. On information and belief, Adobe has directly and/or indirectly infringed (by inducement and/or contributory infringement), and is continuing to infringe, directly and/or indirectly, the ’906 Patent and/or the ’985 Patent in this District or otherwise within the United States by making, using, selling, offering to sell, and/or importing in or into the United States,

without authority: (i) web pages and content to be interactively presented in browsers, including, without limitation, the web pages and content accessible via www.adobe.com and tv.adobe.com and maintained on servers located in and/or accessible from the United States under the control of Adobe; (ii) software, including, without limitation, software that allows content to be interactively presented in and/or served to browsers, including, without limitation, Flash and Shockwave; and/or (iii) computer equipment, including, without limitation, computer equipment that stores, serves, and/or runs any of the foregoing.

Adobe indirectly infringes one or more claims of the '906 Patent and/or the '985 Patent by active inducement under 35 U.S.C. § 271(b). Adobe has induced and continues to induce users of the web pages, software, and computer equipment identified above to directly infringe one or more claims of the '906 Patent and/or the '985 Patent. Adobe indirectly infringes one or more claims of the '906 Patent and/or the '985 Patent by contributory infringement under 35 U.S.C. § 271(c). By providing the web pages, software, and computer equipment identified above, Adobe contributes to the direct infringement of users of said web pages, software, and computer equipment.

22. On information and belief, Amazon has directly and/or indirectly infringed (by inducement and/or contributory infringement), and is continuing to infringe, directly and/or indirectly, the '906 Patent and/or the '985 Patent in this District or otherwise within the United States by making, using, selling, offering to sell, and/or importing in or into the United States, without authority: (i) web pages and content to be interactively presented in browsers, including, without limitation, the web pages and content accessible via www.amazon.com and maintained on servers located in and/or accessible from the United States under the control of Amazon; (ii) software, including, without limitation, software that allows content to be interactively presented

in and/or served to browsers; and/or (iii) computer equipment, including, without limitation, computer equipment that stores, serves, and/or runs any of the foregoing.

Amazon indirectly infringes one or more claims of the '906 Patent and/or the '985 Patent by active inducement under 35 U.S.C. § 271(b). Amazon has induced and continues to induce users of the web pages, software, and computer equipment identified above to directly infringe one or more claims of the '906 Patent and/or the '985 Patent. Amazon indirectly infringes one or more claims of the '906 Patent and/or the '985 Patent by contributory infringement under 35 U.S.C. § 271(c). By providing the web pages, software, and computer equipment identified above, Amazon contributes to the direct infringement of users of said web pages, software, and computer equipment.

23. On information and belief, CDW has directly and/or indirectly infringed (by inducement and/or contributory infringement), and is continuing to infringe, directly and/or indirectly, the '906 Patent and/or the '985 Patent in this District or otherwise within the United States by making, using, selling, offering to sell, and/or importing in or into the United States, without authority: (i) web pages and content to be interactively presented in browsers, including, without limitation, the web pages and content accessible via www.cdw.com and maintained on servers located in and/or accessible from the United States under the control of CDW; (ii) software, including, without limitation, software that allows content to be interactively presented in and/or served to browsers; and/or (iii) computer equipment, including, without limitation, computer equipment that stores, serves, and/or runs any of the foregoing.

CDW indirectly infringes one or more claims of the '906 Patent and/or the '985 Patent by active inducement under 35 U.S.C. § 271(b). CDW has induced and continues to induce users of the web pages, software, and computer equipment identified above to directly infringe one or

more claims of the '906 Patent and/or the '985 Patent. CDW indirectly infringes one or more claims of the '906 Patent and/or the '985 Patent by contributory infringement under 35 U.S.C. § 271(c). By providing the web pages, software, and computer equipment identified above, CDW contributes to the direct infringement of users of said web pages, software, and computer equipment.

24. On information and belief, Citigroup has directly and/or indirectly infringed (by inducement and/or contributory infringement), and is continuing to infringe, directly and/or indirectly, the '906 Patent and/or the '985 Patent in this District or otherwise within the United States by making, using, selling, offering to sell, and/or importing in or into the United States, without authority: (i) web pages and content to be interactively presented in browsers, including, without limitation, the web pages and content accessible via www.citigroup.com and maintained on servers located in and/or accessible from the United States under the control of Citigroup; (ii) software, including, without limitation, software that allows content to be interactively presented in and/or served to browsers; and/or (iii) computer equipment, including, without limitation, computer equipment that stores, serves, and/or runs any of the foregoing.

Citigroup indirectly infringes one or more claims of the '906 Patent and/or the '985 Patent by active inducement under 35 U.S.C. § 271(b). Citigroup has induced and continues to induce users of the web pages, software, and computer equipment identified above to directly infringe one or more claims of the '906 Patent and/or the '985 Patent. Citigroup indirectly infringes one or more claims of the '906 Patent and/or the '985 Patent by contributory infringement under 35 U.S.C. § 271(c). By providing the web pages, software, and computer equipment identified above, Citigroup contributes to the direct infringement of users of said web pages, software, and computer equipment.

32. On information and belief, the Defendants have knowledge of the '906 Patent and have not ceased their infringing activities. The Defendants' infringement of the '906 Patent has been and continues to be willful and deliberate.

33. As a direct and proximate consequence of the acts and practices of the Defendants in infringing and/or inducing the infringement of one or more claims of the '906 Patent and one or more claims of the '985 Patent, Plaintiffs have been, are being, and, unless such acts and practices are enjoined by the Court, will continue to suffer injury to their business and property rights.

34. As a direct and proximate consequence of the acts and practices of the Defendants in infringing, directly and/or indirectly, one or more claims of the '906 Patent and one or more

claims of the '985 Patent, Plaintiffs have suffered, are suffering, and will continue to suffer injury and damages for which they are entitled to relief under 35 U.S.C. § 284, in an amount to be determined at trial.

35. In addition, the infringing acts and practices of the Defendants has caused, is causing, and, unless such acts and practices are enjoined by the Court, will continue to cause immediate and irreparable harm to Plaintiffs for which there is no adequate remedy at law, and for which Plaintiffs are entitled to injunctive relief under 35 U.S.C. § 283.

IV. PRAYER FOR RELIEF

Plaintiffs pray for the following relief:

- A. A judgment that each Defendant has infringed, directly and indirectly, one or more claims of the '906 Patent and one or more claims of the '985 Patent;
- B. A judgment and order preliminarily and permanently enjoining each Defendant, its employees and agents, and any other person(s) in active concert or participation with it from infringing, directly or indirectly, the '906 Patent and the '985 Patent;
- C. A judgment and order requiring each Defendant to pay Plaintiffs' damages under 35 U.S.C. § 284, including treble damages for willful infringement as provided by 35 U.S.C. § 284, and supplemental damages for any continuing post-verdict infringement up until entry of the final judgment with an accounting as needed;
- D. An award of all costs of this action, including attorneys' fees and interest; and
- E. Such other and further relief as the Court deems just and equitable.

V. DEMAND FOR JURY TRIAL

Plaintiffs hereby demand that all issues be determined by a jury.

DATED: October 28, 2011.
