JURY TRIAL DEMANDED

AMENDED COMPLAINT FOR PATENT INFRINGEMENT

Plaintiff LG Electronics, Inc. (“LGE”) hereby files this Amended Complaint for Patent Infringement against Defendants Funai Electric Company Ltd. (“Funai Electric”), Funai Corporation, Inc. (“Funai Corp.”), and P&F USA, Inc. (“P&F”) (collectively, “Funai Defendants”) and hereby alleges as follows:

PARTIES

1. Plaintiff LG Electronics, Inc. is a foreign corporation organized and existing under the laws of the Republic of Korea with its principal place of business at LG Twin Towers, 20 Yeouido-dong, Yeongdeungpo-gu, Seoul, 150-721, South Korea. LGE designs, makes, and sells many different products world-wide for consumer use including personal computers, mobile telephone handsets, DVD recorders and players, washing machines, and, most relevant here, televisions. LGE is the owner of record of the patents involved in this action.

2. On information and belief, Funai Electric is a limited liability corporation organized under the laws of Japan. Funai Electric’s principal place of business is at 7-7-1 Nakagaito Daito, Osaka 574-0013 Japan. Funai Electric operates an Audio-Visual Equipment

business, which includes the design, manufacture, use, sale, importation and/or distribution of video displays accused of infringement herein.

3. On information and belief, Funai Corp. is a New Jersey corporation with its principal place of business at 201 Route 17 North, Suite 903, Rutherford, NJ 07070. On information and belief, Funai Corp. is a U.S.-based subsidiary of Funai Electric, and oversees Funai Electric's U.S. sales operations. Funai Corp. designs, manufactures, uses, sells, imports, and/or distributes video displays accused of infringement herein.

4. On information and belief, P&F is a Georgia corporation with its principal place of business at 3015 Windward Plaza, Ste. 100, Alpharetta, GA 30005-8724. On information and belief, P&F is a wholly-owned subsidiary of Funai Electric. On information and belief, P&F is responsible for the sourcing, distribution, marketing, and sales activities of Philips-branded displays in the United States and Canada on behalf of Funai Electric. P&F designs, manufactures, uses, sells, imports, and/or distributes video displays accused of infringement herein.

JURISDICTION AND VENUE

5. This is an action for patent infringement arising under the patent laws of the United States, including 35 U.S.C. § 271. This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1338(a) because this action arises under the patent laws of the United States, including 35 U.S.C. § 271 et seq.

6. This Court has personal jurisdiction over the Funai Defendants because each does business in Texas and in this judicial district and/or has infringed or caused infringement in Texas and in this judicial district.

7. The Court has personal jurisdiction over the Funai Defendants because each has established minimum contacts with the forum and the exercise of jurisdiction over them would not offend traditional notions of fair play and substantial justice. On information and belief, the Funai Defendants knowingly and intentionally participate in a stream of commerce between, for example, Japan and the United States with a portion of such stream including sales of video displays (hereinafter the “accused products”) that embody the system, practice the method, and/or produce the product covered by one or more claims of patents owned by LGE, as asserted in greater detail hereinafter. By way of example, the accused products include those ultimately sold and/or offered for sale within this judicial district under the Sylvania brand name such as, for example, TVs with model No. LC427SSX. In accordance with established distribution channels for the accused products, the Funai Defendants reasonably anticipated that accused products would end up in this district and be sold therein.

8. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1391 and 1400(b).
