10 Exhibit B. Trans Video is the assignee and the owner of all right, title and interest in and to the
11 '801 patent. The '801 patent is entitled to a presumption of validity.

12 9. On information and belief, Apple has been, and currently is directly, literally and/or
13 upon information and belief, jointly, equivalently, and/or indirectly infringing (by way of inducing
14 infringement by others, and/or contributing to the infringement by others) the '801 patent in the
15 District of Columbia, in this judicial district, and elsewhere in the United States by, among other
16 things, making, using, operating, distributing, offering for sale or license, selling or licensing, and

18 Store, the Apple TV, the iPad, the iPhone and the iPod Touch for video distribution, including

23

24 10. Apple actively and knowingly has infringed and is infringing the '801 patent with

6

7 12. Trans Video has suffered irreparable harm by Apple's acts of infringement of the
8 '801 patent, and will continue to suffer harm unless and until Apple's acts of infringement are
9 enjoined and restrained by order of this Court.

11 continue to suffer damages in an amount to be proven at trial.

12 **COUNT 2: INFRINGEMENT OF U.S. PATENT NO. 5,594,936**

13 14. Trans Video incorporates by reference the allegations set forth in the preceding
14 paragraphs.
15

17 copy of the '936 patent is attached hereto as Exhibit C. Trans Video is the assignee and the owner of
18 all right, title and interest in and to the '936 patent. The '936 patent is entitled to a presumption of
19 validity.
20

21 16. On information and belief, Apple has been, and currently is directly, literally and/or
22 upon information and belief, jointly, equivalently, and/or indirectly infringing (by way of inducing
23 infringement by others, and/or contributing to the infringement by others) the '936 patent in the
24 District of Columbia, in this judicial district, and elsewhere in the United States by, among other
25 things, making, using, operating, distributing, offering for sale or license, selling or licensing, and
26 marketing, supporting and advertising certain of its products and services, including the iTunes
27
28

1 Store, the Apple TV, the iPad, the iPhone and the iPod Touch for video distribution, including
2 downloading, streaming and/or storing, that embody and/or practice the inventions claimed in the
3 '936 patent. Apple is thus liable to Trans Video for infringement of the '936 patent pursuant to 35
4 U.S.C. § 271.

5
6 17. Apple actively and knowingly has infringed and is infringing the '936 patent with
7 knowledge of Trans Video's patent rights and without reasonable basis for believing that Apple's
8 conduct is lawful. Apple has also induced and contributed to the infringement of the '936 patent by
9 purchasers, licensees, and users of the iTunes Store, the Apple TV, the iPad, the iPhone and the iPod
10 Touch products and services.

11 18. On information and belief, Apple's infringement of the '936 patent has been and is
12 willful and will continue unless enjoined by this Court. Apple has been, or should have been, on
13 notice of the '936 patent and its infringement, and has not ceased its infringing activities.

14
15 19. Trans Video has suffered irreparable harm by Apple's acts of infringement of the
16 '936 patent, and will continue to suffer harm unless and until Apple's acts of infringement are
17 enjoined and restrained by order of this Court.

18 20. As a result of Apple's acts of infringement, Trans Video has suffered and will
19 continue to suffer damages in an amount to be proven at trial.

20
