JURISDICTION AND VENUE

9. This is an action for infringement of a United States patent arising under 35 U.S.C. §§ 271, 281, and 284 - 85, among others. This Court has subject matter jurisdiction over this action under 28 U.S.C. §1331 and §1338(a).

10. Venue is proper in this district pursuant to 28 U.S.C. §§ 1391 and 1400(b). Upon information and belief, each Defendant has transacted business in this district, and has committed and/or induced acts of patent infringement in this district.

11. Defendants are subject to this Court’s specific and general personal jurisdiction pursuant to due process and/or the Texas Long Arm Statute, due at least to each Defendant’s substantial business in this forum, including: (i) at least a portion of the infringements alleged herein; and (ii) regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to individuals in Texas and in this district.

12. Joinder of the Defendants is proper pursuant to 35 U.S.C. § 299(a) at least because each Defendant’s infringing products includes, complies with, and/or utilizes the iOS operating system, the practice of which by each Defendant necessarily results in infringement of the patent-in-suit. In addition, questions of fact common to all of the Defendants will arise in the

action at least because, upon information and belief, Defendants' infringing acts arise from their common acts of including, complying with and/or utilizing the iOS operating system.

COUNT I
INFRINGEMENT OF U.S. PATENT NO. 6,326,978

13. On December 4, 2001, United States Patent No. 6,326,978 (the "'978 patent") was duly and legally issued by the United States Patent and Trademark Office for an invention entitled "Display Method for Selectively Rotating Windows on a Computer Display". A true and correct copy of the '978 patent is attached hereto as Exhibit A.

14. Rotatable Technologies is the owner of the '978 patent with all substantive rights in and to that patent, including the sole and exclusive right to prosecute this action and enforce the '978 patent against infringers, and to collect damages for all relevant times.

15. Apple directly or through intermediaries, made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or systems (including at least various versions of its iPhone and iPad tablets) that infringed one or more claims of the '978 patent.

16. Callvine directly or through intermediaries, made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or systems (including at least Callvine HD Voice Conferencing for iOS) that infringed one or more claims of the '978 patent.

17. Electronic Arts directly or through intermediaries, made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or systems (including at least Scrabble for iOS) that infringed one or more claims of the '978 patent.

18. Netflix and directly or through intermediaries, made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or systems (including at least Netflix for iOS) that infringed one or more claims of the '978 patent.

19. Quickoffice directly or through intermediaries, made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or systems (including at least Quickoffice HD for iOS) that infringed one or more claims of the '978 patent.

20. Target directly or through intermediaries, made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or systems (including at least Target for iOS) that infringed one or more claims of the '978 patent.

21. Whole Foods directly or through intermediaries, made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or systems (including at least Whole Foods Market Recipes iOS) that infringed one or more claims of the '978 patent.

JURY DEMAND

Rotatable Technologies hereby requests a trial by jury on all issues so triable by right.

PRAYER FOR RELIEF

Rotatable Technologies requests that the Court find in its favor and against Defendants, and that the Court grant Rotatable Technologies the following relief:

a. Judgment that one or more claims of the '978 patent have been infringed, either literally and/or under the doctrine of equivalents, by Defendants and/or by others to whose infringement Defendants have contributed and/or by others whose infringement has been induced by Defendants;

b. A permanent injunction enjoining Defendants and their officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in

active concert therewith from infringement, inducing infringement of, or contributing to infringement of the '978 patent;

c. Judgment that Defendants account for and pay to Rotatable Technologies all damages and costs incurred by Rotatable Technologies, caused by Defendants' infringing activities and other conduct complained of herein;

d. That Rotatable Technologies be granted pre-judgment and post-judgment interest on the damages caused by Defendants' infringing activities and other conduct complained of herein;

e. That this Court declare this an exceptional case and award Rotatable Technologies reasonable attorneys' fees and costs in accordance with 35 U.S.C. § 285; and

f. That Rotatable Technologies be granted such other and further relief as the Court may deem just and proper under the circumstances.
