16. USEI is the sole owner of the entire right, title, and interest in the Patents-in-Suit by virtue of assignment, including all rights necessary to prosecute this case and collect all damages, past, present and future, resulting from Defendants' infringement.

ACCUSED PRODUCTS

17. Defendants import, make, use, offer for sale, and/or sell certain products and devices which embody one or more claims of the Patents-in-Suit either alone or functionally integrated into host systems, including, without limitation, products employing technology similar to that found in the SPEAr300 and/or STM32F405xx system-on-chips (collectively, the "Accused Products").

COUNT I

INFRINGEMENT OF U.S. PATENT NO. 5,732,094

18. USEI restates and realleges the allegations set forth in the foregoing paragraphs of this Complaint and incorporates them by reference.

19. Without a license or permission from USEI, Defendants have infringed and continue to infringe one or more claims of the '094 Patent, directly, contributorily, and/or by inducement, by importing, making, using, offering for sale, and/or selling products and devices which embody the patented invention, including, without limitation, one or more of the Accused Products, in violation of 35 U.S.C. § 271.

20. Defendants directly contribute to and induce infringement by supplying infringing systems and components to Defendants' customers. Defendants' customers who purchase systems and components thereof and operate such systems and components thereof in

accordance with Defendants' instructions directly infringe one or more claims of the '094 Patent, in violation of 35 U.S.C. § 271.

21. The acts of infringement of the '094 Patent by Defendants have caused damage to USEI, and USEI is entitled to recover from Defendants the damages sustained by USEI as a result of the wrongful acts of Defendants in an amount subject to proof at trial. The infringement of USEI's exclusive rights under the '094 Patent by Defendants will continue to damage USEI, causing irreparable harm, for which there is no adequate remedy at law, unless enjoined by this Court.

22. Defendants have had actual or constructive knowledge of the '094 Patent, yet continue to infringe said patent. The infringement of the '094 Patent by Defendants is willful and deliberate, entitling USEI to increased damages under 35 U.S.C. § 284 and to attorneys' fees and costs incurred in prosecuting this action under 35 U.S.C. § 285.

COUNT II

INFRINGEMENT OF U.S. PATENT NO. 5,434,872

23. USEI restates and realleges the allegations set forth in the foregoing paragraphs of this Complaint and incorporates them by reference.

24. Without a license or permission from USEI, Defendants have infringed and continue to infringe one or more claims of the '872 Patent, directly, contributorily, and/or by inducement, by importing, making, using, offering for sale, and/or selling products and devices which embody the patented invention, including, without limitation, one or more of the Accused Products, in violation of 35 U.S.C. § 271.

25. Defendants directly contribute to and induce infringement by supplying infringing systems and components to Defendants' customers. Defendants' customers who purchase systems and components thereof and operate such systems and components thereof in

accordance with Defendants' instructions directly infringe one or more claims of the '872 Patent, in violation of 35 U.S.C. § 271.

26. The acts of infringement of the '872 Patent by Defendants have caused damage to USEI, and USEI is entitled to recover from Defendants the damages sustained by USEI as a result of the wrongful acts of Defendants in an amount subject to proof at trial. The infringement of USEI's exclusive rights under the '872 Patent by Defendants will continue to damage USEI, causing irreparable harm, for which there is no adequate remedy at law, unless enjoined by this Court.

27. Defendants have had actual or constructive knowledge of the '872 Patent, yet continue to infringe said patent. The infringement of the '872 Patent by Defendants is willful and deliberate, entitling USEI to increased damages under 35 U.S.C. § 284 and to attorneys' fees and costs incurred in prosecuting this action under 35 U.S.C. § 285.

COUNT III

INFRINGEMENT OF U.S. PATENT NO. 5,307,459

28. USEI restates and realleges the allegations set forth in the foregoing paragraphs of this Complaint and incorporates them by reference.

29. Without a license or permission from USEI, Defendants have infringed and continue to infringe one or more claims of the '459 Patent, directly, contributorily, and/or by inducement, by importing, making, using, offering for sale, and/or selling products and devices which embody the patented invention, including, without limitation, one or more of the Accused Products, in violation of 35 U.S.C. § 271.

30. Defendants directly contribute to and induce infringement by supplying infringing systems and components to Defendants' customers. Defendants' customers who purchase systems and components thereof and operate such systems and components thereof in

accordance with Defendants' instructions directly infringe one or more claims of the '459 Patent, in violation of 35 U.S.C. § 271.

31. The acts of infringement of the '459 Patent by Defendants have caused damage to USEI, and USEI is entitled to recover from Defendants the damages sustained by USEI as a result of the wrongful acts of Defendants in an amount subject to proof at trial. The infringement of USEI's exclusive rights under the '459 Patent by Defendants will continue to damage USEI, causing irreparable harm, for which there is no adequate remedy at law, unless enjoined by this Court.

32. Defendants have had actual or constructive knowledge of the '459 Patent, yet continue to infringe said patent. The infringement of the '459 Patent by Defendants is willful and deliberate, entitling USEI to increased damages under 35 U.S.C. § 284 and to attorneys' fees and costs incurred in prosecuting this action under 35 U.S.C. § 285.

COUNT IV

INFRINGEMENT OF U.S. PATENT NO. 5,530,874

33. USEI restates and realleges the allegations set forth in the foregoing paragraphs of this Complaint and incorporates them by reference.

34. Without a license or permission from USEI, Defendants have infringed and continue to infringe one or more claims of the '874 Patent, directly, contributorily, and/or by inducement, by importing, making, using, offering for sale, and/or selling products and devices which embody the patented invention, including, without limitation, one or more of the Accused Products, in violation of 35 U.S.C. § 271.

35. Defendants directly contribute to and induce infringement by supplying infringing systems and components to Defendants' customers. Defendants' customers who purchase systems and components thereof and operate such systems and components thereof in

accordance with Defendants' instructions directly infringe one or more claims of the '874 Patent, in violation of 35 U.S.C. § 271.

36. The acts of infringement of the '874 Patent by Defendants have caused damage to USEI, and USEI is entitled to recover from Defendants the damages sustained by USEI as a result of the wrongful acts of Defendants in an amount subject to proof at trial. The infringement of USEI's exclusive rights under the '874 Patent by Defendants will continue to damage USEI, causing irreparable harm, for which there is no adequate remedy at law, unless enjoined by this Court.

37. Defendants have had actual or constructive knowledge of the '874 Patent, yet continue to infringe said patent. The infringement of the '874 Patent by Defendants is willful and deliberate, entitling USEI to increased damages under 35 U.S.C. § 284 and to attorneys' fees and costs incurred in prosecuting this action under 35 U.S.C. § 285.

COUNT V

INFRINGEMENT OF U.S. PATENT NO. 5,299,313

38. USEI restates and realleges the allegations set forth in the foregoing paragraphs of this Complaint and incorporates them by reference.

39. Without a license or permission from USEI, Defendants have infringed and continue to infringe one or more claims of the '313 Patent, directly, contributorily, and/or by inducement, by importing, making, using, offering for sale, and/or selling products and devices which embody the patented invention, including, without limitation, one or more of the Accused Products, in violation of 35 U.S.C. § 271.

40. Defendants directly contribute to and induce infringement by supplying infringing systems and components to Defendants' customers. Defendants' customers who purchase systems and components thereof and operate such systems and components thereof in

accordance with Defendants' instructions directly infringe one or more claims of the '313 Patent, in violation of 35 U.S.C. § 271.

41. The acts of infringement of the '313 Patent by Defendants have caused damage to USEI, and USEI is entitled to recover from Defendants the damages sustained by USEI as a result of the wrongful acts of Defendants in an amount subject to proof at trial. The infringement of USEI's exclusive rights under the '313 Patent by Defendants will continue to damage USEI, causing irreparable harm, for which there is no adequate remedy at law, unless enjoined by this Court.

42. Defendants have had actual or constructive knowledge of the '313 Patent, yet continue to infringe said patent. The infringement of the '313 Patent by Defendants is willful and deliberate, entitling USEI to increased damages under 35 U.S.C. § 284 and to attorneys' fees and costs incurred in prosecuting this action under 35 U.S.C. § 285.

PRAYER FOR RELIEF

WHEREFORE, USEI prays for the following relief against Defendants:

A. A judgment that Defendants, and each of them, have directly infringed the '094 Patent, the '872 Patent, the '459 Patent, the '874 Patent, and/or the '313 Patent; contributorily infringed the '094 Patent, the '872 Patent, the '459 Patent, the '874 Patent, and/or the '313 Patent; and/or induced infringement of the '094 Patent, the '872 Patent, the '459 Patent, the '874 Patent, and/or the '313 Patent;

B. An award of all damages recoverable under the laws of the United States and the laws of the State of Texas in an amount to be proven at trial;

C. An award of treble damages pursuant to 35 U.S.C. § 284 against Defendants, and each of them, as a result of Defendants' willful infringement;

D. A preliminary, and thereafter permanent, injunction enjoining and restraining Defendants, their officers, directors, agents, servants, employees, attorneys, and all others acting under, by or through them, from directly infringing, contributorily infringing, and inducing the infringement of the '094 Patent, as set forth herein;

E. A preliminary, and thereafter permanent, injunction enjoining and restraining Defendants, their officers, directors, agents, servants, employees, attorneys, and all others acting under, by or through them, from directly infringing, contributorily infringing, and inducing the infringement of the '872 Patent, as set forth herein;

F. A preliminary, and thereafter permanent, injunction enjoining and restraining Defendants, their officers, directors, agents, servants, employees, attorneys, and all others acting under, by or through them, from directly infringing, contributorily infringing, and inducing the infringement of the '459 Patent, as set forth herein;

G. A preliminary, and thereafter permanent, injunction enjoining and restraining Defendants, their officers, directors, agents, servants, employees, attorneys, and all others acting under, by or through them, from directly infringing, contributorily infringing, and inducing the infringement of the '874 Patent, as set forth herein;

H. A preliminary, and thereafter permanent, injunction enjoining and restraining Defendants, their officers, directors, agents, servants, employees, attorneys, and all others acting under, by or through them, from directly infringing, contributorily infringing, and inducing the infringement of the '313 Patent, as set forth herein;

I. A judgment and order requiring Defendants, and each of them, to pay USEI pre-judgment and post-judgment interest on the full amounts of the damages awarded;

J. A judgment requiring Defendants, and each of them, to pay the costs of this action (including all disbursements) and attorneys' fees as provided by 35 U.S.C. § 285, with prejudgment interest; and

K. Such other and further relief as this Court may deem just and equitable.

DEMAND FOR JURY TRIAL

Plaintiff hereby demands that all issues so triable be determined by a jury.

Respectfully submitted, this 27th day of July, 2012.
