13. Pursuant to 35 U.S.C. § 271(a), GAP has directly infringed claims of the ‘359, ‘645, and ‘970 patents through, among other activities, products, programs, applications, functions, systems and methods, the use of tracking and notification technologies within its "Get the status of your order...As soon as you place your order, you can see where it is on its way to your door", "Track your order", "Advance Ship Notice", "Order Confirmation Email", and "Shipment Confirmation Email" services that are protected by the ‘359, ‘645 and ‘970 patents, as every claim limitation, or its equivalent, is found in these applications, solutions, devices, programs, products, services, methods and/or systems.
