others persistent causes of conduct, and/or deriving substantial revenue from goods and services provided to persons and other entities in Texas and this judicial district.

COUNT I
(INFRINGEMENT OF U.S. PATENT NO. 7,454,212)

8. ADAPTIX is the owner by assignment of United States patent number 7,454,212, entitled “OFDMA WITH ADAPTIVE SUBCARRIER-CLUSTER CONFIGURATION AND SELECTIVE LOADING” (“the ‘212 Patent”) with ownership of all substantial rights in the ‘212 Patent, including the right to exclude others and to sue and recover damages for the past and future infringement thereof. A true and correct copy of the ‘212 Patent is attached as Exhibit A.

9. On information and belief, Apple is directly and/or indirectly infringing at least one claim of the ‘212 Patent in this judicial district and elsewhere in Texas and the United States by, among other things, making, using, offering for sale, selling and/or importing computerized devices including without limitation the iPhone 5 and iPad mini sold to AT&T which, at a minimum, directly infringe the ‘212 Patent. Apple is thereby liable for infringement of the ‘212 Patent pursuant to 35 U.S.C. § 271. Apple’s infringement has caused damage to ADAPTIX, which infringement by defendants and damage to ADAPTIX will continue unless and until Apple is enjoined.

10. On information and belief, AT&T is directly and/or indirectly infringing at least one claim of the ‘212 Patent in this judicial district and elsewhere in Texas and the United States by, among other things, making, using, offering for sale, selling and/or importing computerized devices including without limitation the iPhone 5 and iPad mini which, at a minimum, directly infringe the ‘212 Patent. AT&T is thereby liable for infringement of the ‘212 Patent pursuant to 35 U.S.C. § 271. AT&T’s infringement has

caused damage to ADAPTIX, which infringement and damage will continue unless and until AT&T is enjoined.

11. Defendants directly contribute and induce infringement through supplying infringing systems and components to customers. Defendants' customers who purchase systems and components thereof and operate such systems and components thereof in accordance with defendants' instructions directly infringe one or more claims of the '212 Patent in violation of 35 U.S.C. § 271.

12. The infringement by each defendant identified in this Count has caused irreparable injury to ADAPTIX for which remedies at law are inadequate. Considering the balance of the hardships between the parties, a remedy in equity, such as a permanent injunction is warranted and such a remedy would be in the public interest.

COUNT II
(INFRINGEMENT OF U.S. PATENT NO. 6,947,748)

13. ADAPTIX is the owner by assignment of United States patent number 6,947,748 entitled "OFDMA WITH ADAPTIVE SUBCARRIER-CLUSTER CONFIGURATION AND SELECTIVE LOADING" ("the '748 patent") with ownership of all substantial rights in the '748 patent, including the right to exclude others and to sue and recover damages for the past and future infringement thereof. A true and correct copy of the '748 patent is attached as Exhibit B.

14. On information and belief, Apple is directly and/or indirectly infringing at least one claim of the '748 Patent in this judicial district and elsewhere in Texas and the United States by, among other things, making, using, offering for sale, selling and/or importing computerized communications devices including without limitation the iPhone 5 and iPad mini sold to AT&T which, at a minimum, directly infringe the '748 Patent. Apple is thereby

liable for infringement of the '748 Patent pursuant to 35 U.S.C. § 271. Apple's infringement has caused damage to ADAPTIX, which infringement by defendants and damage to ADAPTIX will continue unless and until Apple is enjoined.

15. On information and belief, AT&T is directly and/or indirectly infringing at least one claim of the '748 patent in this judicial district and elsewhere in Texas and the United States by, among other things, making, using, offering for sale, selling and/or importing computerized devices including without limitation the iPhone 5 and iPad mini which, at a minimum, directly infringe the '748 patent. AT&T is thereby liable for infringement of the '748 patent pursuant to 35 U.S.C. § 271. AT&T's infringement has caused damage to ADAPTIX, which infringement and damage will continue unless and until AT&T is enjoined.

16. Defendants directly contribute and induce infringement through supplying infringing systems and components to customers. Defendants' customers who purchase systems and components thereof and operate such systems and components thereof in accordance with defendants' instructions directly infringe one or more claims of the '748 patent in violation of 35 U.S.C. § 271.

17. The infringement by each defendant identified in this Count has caused irreparable injury to ADAPTIX for which remedies at law are inadequate. Considering the balance of the hardships between the parties, a remedy in equity, such as a permanent injunction is warranted and such a remedy would be in the public interest.

PRAYER FOR RELIEF

Wherefore, ADAPTIX respectfully requests that this Court enter:

A. Judgment in favor of ADAPTIX that each defendant has infringed the '212 and '748 patents as aforesaid;

B. A permanent injunction enjoining each defendant, its officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents and all others acting in active concert or privity therewith from direct, indirect and/or joint infringement of the '212 and '748 patents pursuant to 35 U.S.C. § 283;

C. Judgment and order requiring each defendant to pay ADAPTIX its damages with pre- and post-judgment interest thereon pursuant to 35 U.S.C. § 284;

D. Any and all further relief to which the Court may deem ADAPTIX entitled.
