### **JURISDICTION AND VENUE**

7. This action arises under the patent laws of the United States, Title 35 of the United States Code. This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1338(a).

8. Venue is proper in this judicial district pursuant to 28 U.S.C. §§ 1391(b, c) and 1400(b). On information and belief, each defendant has purposely transacted business in this judicial district and has committed acts of direct and/or indirect infringement in this judicial district.

9. On information and belief, each defendant is subject to this Court's specific and general personal jurisdiction pursuant to due process and/or the Texas Long Arm Statute, due at least to their substantial business in this forum, including: (A) at least part of their infringing activities alleged herein, and (B) regularly doing or soliciting business, engaging in others persistent causes of conduct, and/or deriving substantial revenue from goods and services provided to persons and other entities in Texas and this judicial district.

**INFRINGEMENT OF U.S. PATENT NO. 6,870,808**

10. ADAPTIX is the owner by assignment of United States patent number 6,870,808, entitled "CHANNEL ALLOCATION IN BROADBAND ORTHOGONAL FREQUENCY-DIVISION MULTIPLE-ACCESS/SPACEDIVISION MULTIPLE-ACCESS NETWORKS" ("the '808 patent") with ownership of all substantial rights in the '808 patent, including the right to exclude others and to sue and recover damages for the past and future infringement thereof. A true and correct copy of the '808 patent is attached as Exhibit A.

11. On information and belief, Ericsson and LM Ericsson are jointly, directly and/or indirectly infringing at least one claim of the '808 patent in this judicial district and elsewhere in Texas and the United States by, among other things, making, using, offering for sale, selling and/or importing computerized communications devices including without limitation the RBS 6000 family of products which, at a minimum, directly infringe the '808 patent. Ericsson and LM Ericsson are thereby liable for infringement of the '808 patent

pursuant to 35 U.S.C. § 271 and their infringement has caused damage to ADAPTIX, which infringement by defendants and damage to ADAPTIX will continue unless and until Ericsson and LM Ericsson are enjoined.

12. On information and belief, AT&T, Inc., AT&T Mobility LLC and MetroPCS are directly and/or indirectly infringing at least one claim of the '808 patent in this judicial district and elsewhere in Texas and the United States by, among other things using, offering for sale, selling and/or importing computerized communications devices including without limitation the RBS 6000 family of Ericsson products which, at a minimum, directly infringe the '808 patent. AT&T, Inc., AT&T Mobility LLC and MetroPCS are thereby liable for infringement of the '808 patent pursuant to 35 U.S.C. § 271 and their infringement has caused damage to ADAPTIX, which infringement by defendants and damage to ADAPTIX will continue unless and until AT&T, Inc., AT&T Mobility LLC and MetroPCS are enjoined.

13. On information and belief, defendants directly contribute and induce infringement through supplying infringing systems and components to customers. Defendants' customers who purchase systems and components thereof and operate such systems and components thereof in accordance with defendants' instructions directly infringe one or more claims of the '808 patent in violation of 35 U.S.C. § 271.

14. The infringement by each defendant identified in this Count has caused irreparable injury to ADAPTIX for which remedies at law are inadequate. Considering the balance of the hardships between the parties, a remedy in equity, such as a permanent injunction is warranted and such a remedy would be in the public interest.

**PRAYER FOR RELIEF**

Wherefore, ADAPTIX respectfully requests that this Court enter:

A. Judgment in favor of ADAPTIX that each defendant has infringed the '808 patent as aforesaid;

B. A permanent injunction enjoining each defendant, its officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents and all others acting in active concert or privity therewith from direct, indirect and/or joint infringement of the '808 patent pursuant to 35 U.S.C. § 283;

C. Judgment and order requiring each defendant to pay ADAPTIX its damages with pre- and post-judgment interest thereon pursuant to 35 U.S.C. § 284;

D. Any and all further relief to which the Court may deem ADAPTIX entitled.

**DEMAND FOR JURY TRIAL**

ADAPTIX requests a trial by jury on all issues so triable by right pursuant to Fed. R. Civ. P. 38.
